

Heating for delicate women

The width of a window-sill separates fierce Winter from gentle Summer—that is, if your heating outfit has been rightly chosen. The most delicate women and the frailest flowers thrive and bloom in the wholesome warmth and ventilation brought about by

AMERICAN & IDEAL RADIATORS & BOILERS

The cleanly, genial warmth these outfits produce enables your wife to dress in light-weight, becoming clothing, to appear at her graceful best, to work and exercise unrestrictedly; and relieves her of all back-breaking drudgery that is a part of old-fashioned heating methods.

IDEAL Boilers and AMERICAN Radiators are sure aids to domestic happiness and economy. They keep the house cozy and healthful in all kinds of bad weather. By saving much coal and doing away with repair bills, as well as giving long life to furnishings and decorations, they more than earn their cost. In fact, they are in every way an investment—not an expense.

A No. 218 IDEAL Boiler and 270 ft. of 38-inch AMERICAN Radiators, costing the owner \$135, were used to Hot-Water heat this cottage.

A No. A-241 IDEAL Boiler and 461 ft. of 38-inch AMERICAN Radiators costing the owner \$215, were used to Hot-Water heat this cottage.

At these prices the goods can be bought of any reputable, competent fitter. This did not include cost of labor, pipe, valves, freight, etc., which installation is extra and varies according to climatic and other conditions.

ADVANTAGE 21. All IDEAL Steam Boilers are fitted with Syphon Regulator, which is the greatest improvement made in a century, for giving perfect control over the draft and check dampers. This regulator keeps the steam steadily at the right point for economical heating and insures uniform heating of the rooms. Saves running up and down the cellar stairs during quick-changing weather. (If you have a boiler without this regulator be sure to write us for full particulars.) Ask also for our new edition of "Ideal Heating" (free) which tells all the *advantages* of the world-famous IDEAL Boilers and AMERICAN Radiators.

If you want to make your home a haven of warmth, don't wait until you build, but comfort your present house with an outfit of IDEAL Boilers and AMERICAN Radiators. Put in now without disturbing your old heaters until ready to start fire in the new.
