

**“Whew! It's Hot”**

and

**“Boo! It's Cold”**

are expressions never heard  
in houses equipped with the

# Minneapolis Heat Regulator

Set the indicator at the desired  
degree, put on coal and this  
regulator will keep the tempera-  
ture uniform, insuring comfort,  
health and economy of fuel.

## With Time Attachment

the temperature can be changed  
at any pre-determined time to the  
degree desired.

Sold by the Wholesale and  
Retail Heating Trade every-  
where on a positive guaran-  
tee of satisfaction.

*Illustrated booklet on request.*
